

Get entry into the Premium Batch for IIT JEE
Preparation

TAPASYA BATCH

Focused Process – Excellent Results

Attention Class 10 Students !

Are you determined to get into the best IIT ? Are you serious enough to crack JEE 2023 in a single attempt ?

Compete for entry into the premium batch of the institute and get the early start. Remember early bird catches the worm.

Discipline and guidance for focused efforts is required for gaining Higher Ranks.

Benefits of Tapasya Batch

- Batch size 25-30
- Study with *top scholars* of different schools selected through rigorous testing
- *Teacher Mentor* allocated to keep you focussed and on track on the journey of two and a half years
- Batch begins *before Board Exam*. Early start will help to tackle important concepts of class 11 before rest of the aspirants and it will leave more time for practice at the end of your preparation time.
- Early start of *JEE Advanced Test Series*
- Best and experienced teachers of Mathematics, Physics and Chemistry

Features

- Covers CBSE Boards, KVPY, JEE Main & Advanced Preparation
- Rigorous Practice schedule in Class
- Continuous Testing Schedule through topic wise tests and Test series based on JEE Main and Advanced pattern. Both Offline and online Test Series are available.
- Regular Parent Teacher Interaction in which Student Report Card is shared to discuss aspirants progress at regular intervals
